Offer & Request

business support for investors, facilities

With a view to establishing favourable business and corporate development conditions, Szczecin is dedicated to ensuring an efficient local investor's service, cooperating in both operational and substantive terms with Government institutions and private companies (such as the Polish Information and Foreign Investment Agency, special economic zones, business institutions and consulting companies). Investors are provided with the necessary information and assisted throughout the investment procedures. They may also choose from various forms of assistance, aimed at facilitating the setting up or expansion of economic activity in Szczecin.

Cooperation Offered

1. Outsourcing co-operation
2. Manufacturing agreement

3. Investment/Financing
